

# 24th International Workshop on Next Generation Nucleon Decay & Neutrino Detectors (NNN25)

## NNN25

International Workshop on Next Generation  
Nucleon Decay and Neutrino Detectors

October 1-3, 2025

Contribution ID: 25

Type: **Plenary Talk**

## Experimental Overview of Inelastic Neutrino-Nucleus Interactions

*Thursday, October 2, 2025 12:00 PM (25 minutes)*

Planned precision neutrino oscillation experiments at accelerators have motivated a world-wide program to study interactions of GeV neutrinos on nuclei. I will review recent results and insights gained from these measurements and will discuss future prospects for this work.
