

SNOLAB Underground Science Institute

Summer 2026

The SNOLAB Underground Science Institute (SuSi) Lecture Program is a training and development program centred on academic lectures delivered by leading experts. The program has an annual focus driven by the lecturers and cuts across a range of subjects and disciplines within underground science.

Who should apply?

This program is intended for graduate students and post-doctoral fellows.

Program dates:

June 8, 2026 to August 14, 2026

Application Deadline:

April 1, 2026
