Welcome to Vale's Learning & Development orientation portal.

Full access to all training modules anytime and anywhere.

Welcome to the SNOLAB Safety Training Management (STMS) Portal.

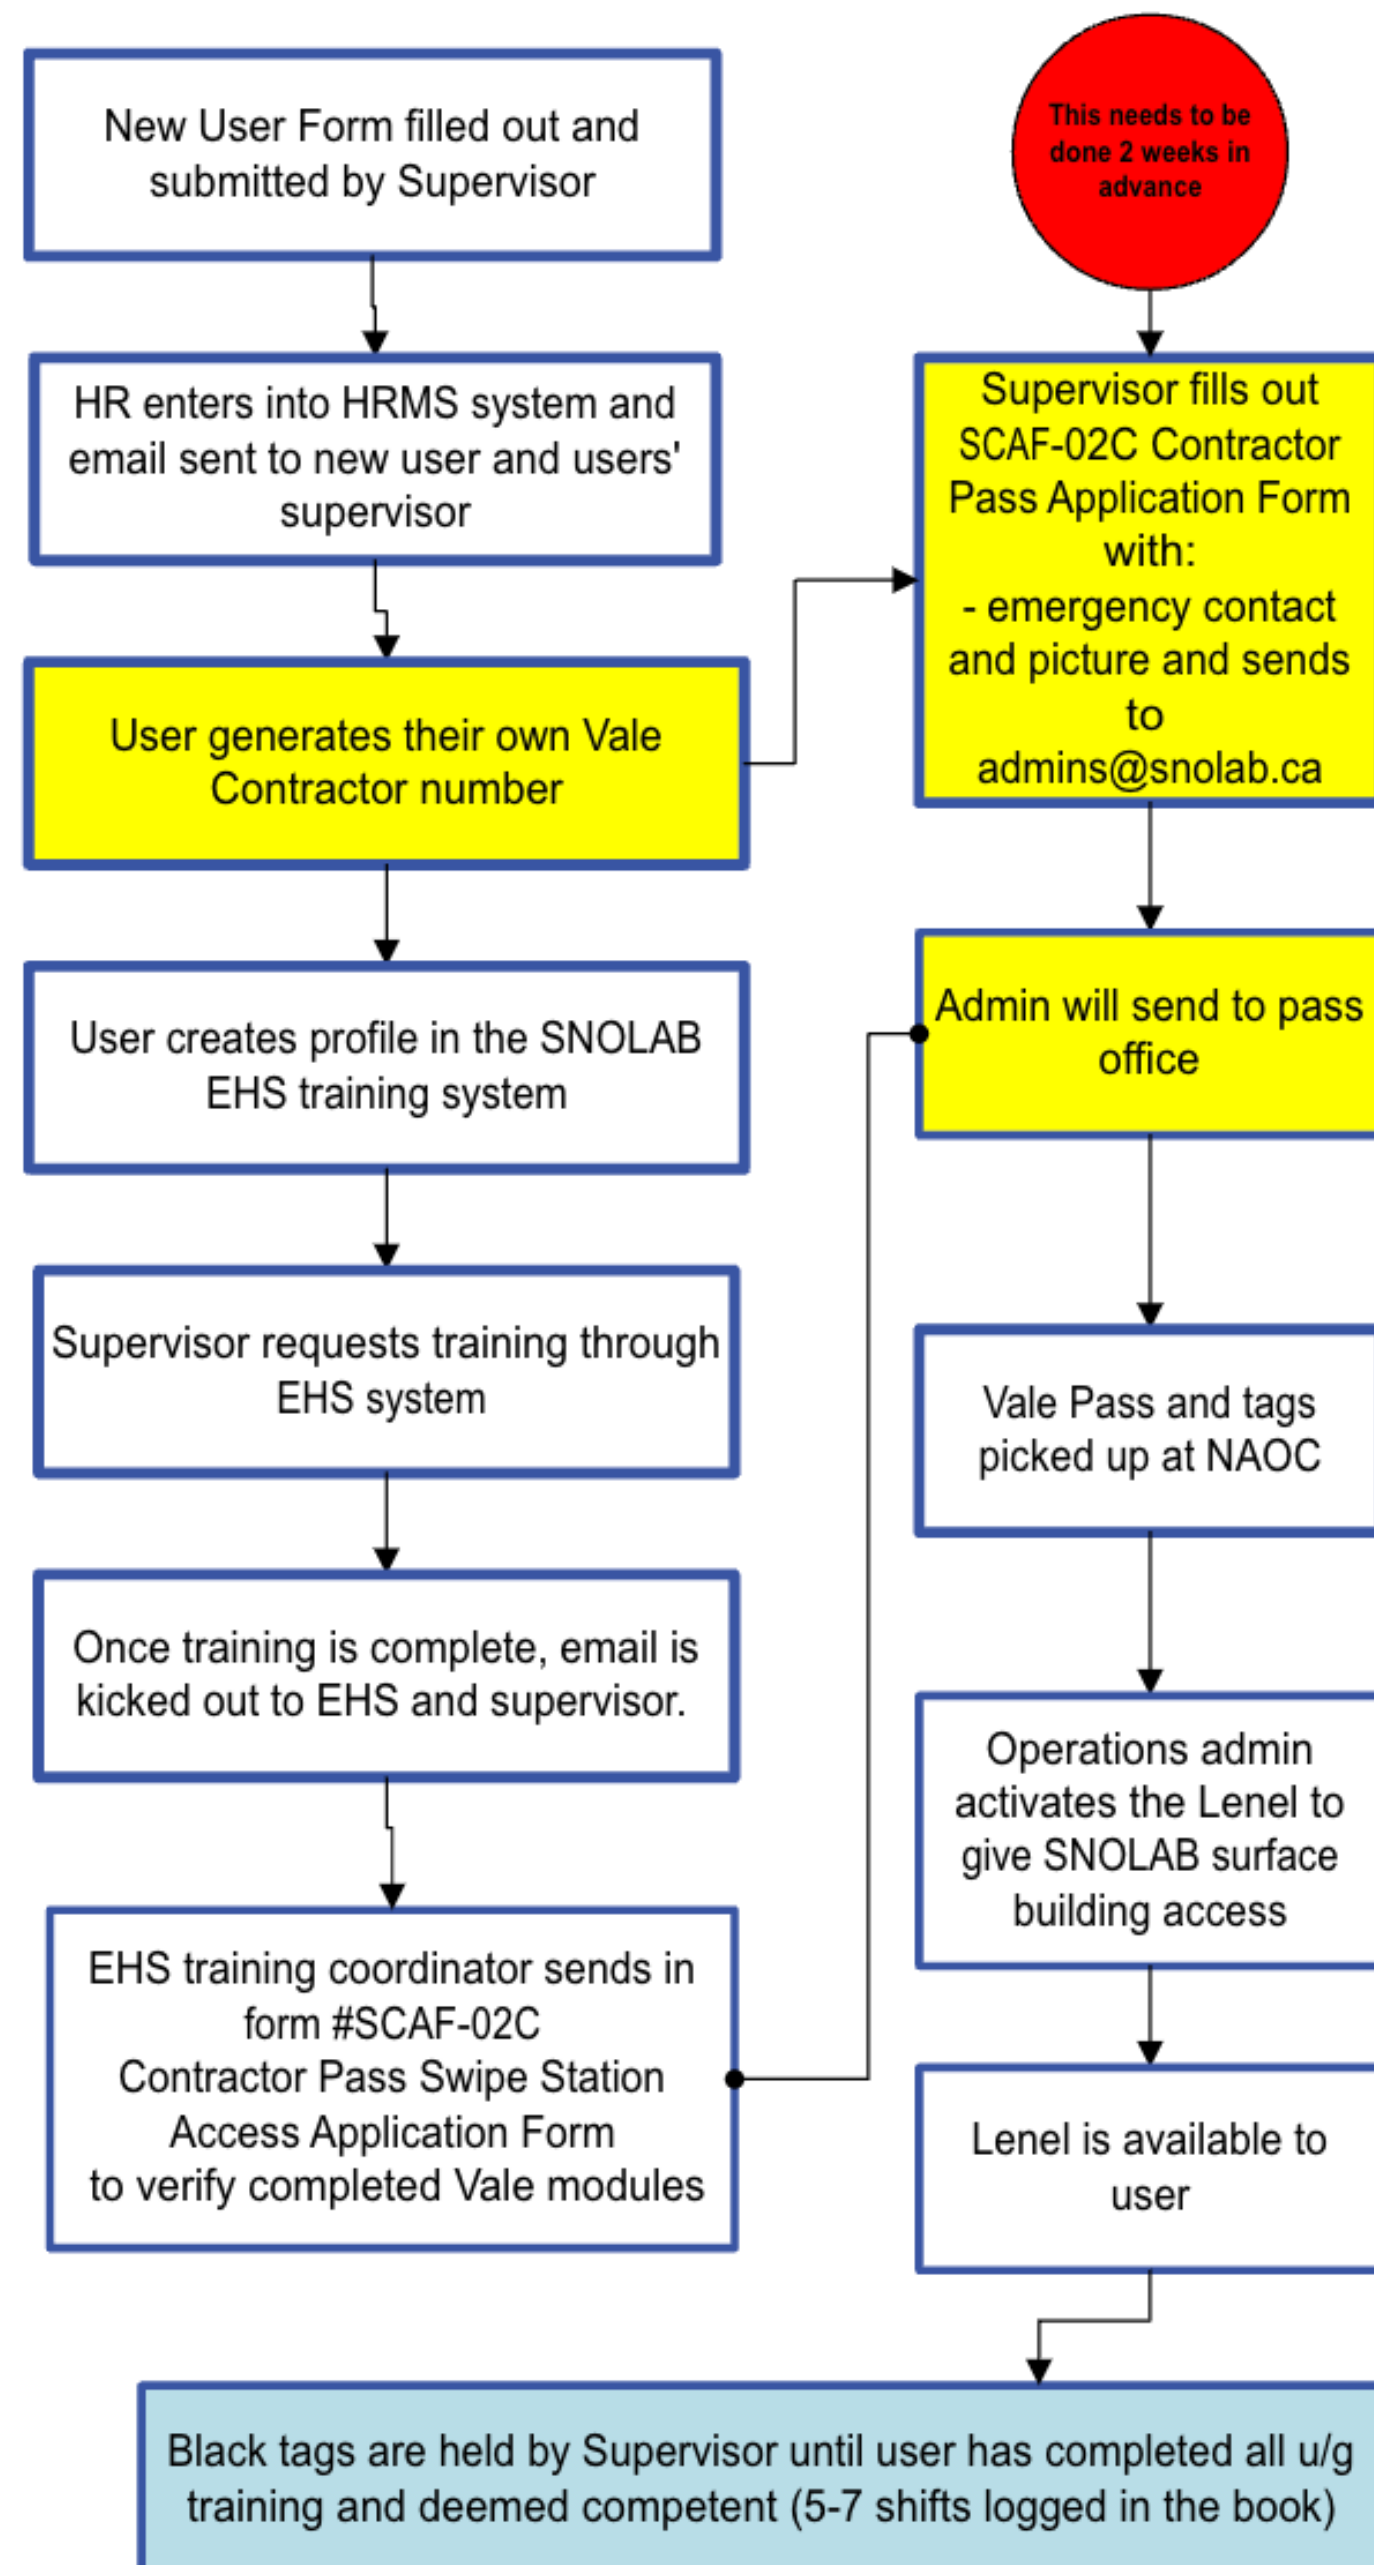

Here, you can:

- Request for the EHS trainings as per SNOLAB EHS Training Matrix.
- Supervisors can view, download the training reports for their team.
- Upload EHS training Records/Documents.
- EHS-Training Coordinator will review and audit EHS training records of the personnel upon completion of those trainings.

For any questions or concerns please reach us at EHS-Training@snolab.ca
